Key Points

The OHSAA football computer ratings are used to determine who makes the state playoffs in Ohio.

The OHSAA football playoffs will feature 12 teams from each region this season.

COLUMBUS — It's [Week 6](#) of the [high school football season](#) and here are the Ohio High School Athletic Association official weekly football computer ratings, which were released Tuesday for the first time during the 2026 season. The weekly ratings report will be released each Tuesday for the remainder of the season, leading up to the final report on Sunday, Oct. 25.

The top 12 in each region will qualify for the playoffs, with the top four seeds getting a first-round bye. The top 16 schools in each region are listed below.

The ratings report includes new divisional assignments for Youngstown City and Cleveland Metropolitan School District, which both consolidated high schools within their districts for the 2026-27 school year.

The 72 largest schools are in Division I, along with several schools that opted up to Division I for the 2026 season. Divisions II through VII are divided equally (approximately 106 schools in each division). This week's full report showing all 706 schools that play 11-man football this season is posted at: <https://ohsaaweb.blob.core.windows.net/files/Sports/>
