Key Points

The OHSAA football computer ratings are used to determine who makes the state playoffs in Ohio.

The OHSAA football playoffs will feature 12 teams from each region this season.

COLUMBUS — It's Week 7 of the [high school football](#) regular season and here are this week's Ohio High School Athletic Association official weekly football computer ratings, which were released Tuesday/Wednesday. The computer ratings are released every week the rest of the regular season, leading up to the final report on Sunday, Oct. 26, when 336 schools — [the top 12 in each region, down from 16](#) — will qualify for the playoffs.

There are 708 schools in this week's 11-player football computer ratings. The 72 largest schools are in Division I, while the remaining schools are divided equally in Divisions II through VII (approximately 106 schools in each division). The top 16 schools in each region are listed below by division and region with record and average points. The [football page at OHSAA.org](#) includes an explanation of how the ratings are calculated.

The top 12 teams in each region in the final report will qualify for the [OHSAA state playoffs](#) at the end of October and into November in pursuit of a trip to

the [OHSAA state championship games](#). The [state finals](#) are Dec. 4-6 at [Tom Benson Hall of Fame Stadium](#) in Canton — the fifth straight year all of the titles are being played there.
