COLUMBUS — It's Week 10 of the [high school football](#) regular season and here are the latest Ohio High School Athletic Association official weekly football computer ratings, which were released Tuesday. The final computer ratings report on Sunday, Oct. 26 will determine the 336 teams — [the top 12 in each region, down from 16](#) — who qualify for the playoffs.

There are 708 schools in this week's 11-player football computer ratings. The 72 largest schools are in Division I, while the remaining schools are divided equally in Divisions II through VII (approximately 106 schools in each division). The top 16 schools in each region are listed below by division and region with record and average points. The [football page at OHSAA.org](#) includes an explanation of how the ratings are calculated.

The [OHSAA state playoffs](#) begin Oct. 31 and continue into November in pursuit of a trip to the [OHSAA state championship games](#). The [state finals](#) are Dec. 4-6 at [Tom Benson Hall of Fame Stadium](#) in Canton — the fifth straight year all of

the titles are being played there.
