

### 3. Highland Hornets (7-0, 4-0)

**Previous ranking:** 5

The Hornets remain one of four area teams that head into Week 8 undefeated. What's crazy is how easily Highland is doing it. Since Week 3, the Hornets have outscored opponents 235-21. Is a battle of undefeated schools on the horizon when Highland and Aurora meet in Week 10?

**This week:** Revere (5-2, 2-2), 7 p.m. Thursday

Highland's average margin of victory is 45.9 points. Will that hold true after Week 8? *Jeff Lange, Akron Beacon Journal*
